Posters should be submitted before 24 October 2021 to the NDTCS-2021 Organizing Committee ([ndtcs2021@gmail.com](mailto:ndtcs2021@gmail.com)). All contributions should be prepared in English. When saving the document, be sure to save it as a .PDF file, and **use a unique filename starting with the name of the presenting author**.

A poster should be self-contained and self-explanatory. Materials should be kept simple and clear and a mixture of text and graphics is recommended. Arrange materials in columns rather than rows. It is easier for viewers to scan a poster by moving along it rather than by zigzagging back and forth in front of it. An introduction is recommended to be placed at the upper left and a conclusion at the lower right.
